All advertisements, sponsorships, or exhibits are subject to approval. The Missouri Bar reserves the right to refuse or decline any advertising, sponsorship, or exhibitors, at its discretion.

Acceptance of advertising, sponsorships, or exhibitors does not constitute an endorsement of any advertiser, sponsor, exhibitor, or their products or services. As such, no advertiser, sponsor, or exhibitor shall claim any endorsement of, or affiliation with, The Missouri Bar unless they have an approved written contract containing such terms.

Advertisers, sponsors, or exhibitors assume liability for all content (including text, representation, and illustrations) of advertisements, sponsorships, or exhibits and assume responsibility for any claims arising therefrom made against The Missouri Bar, its agents, or employees.

Advertisers, sponsors, or exhibitors shall defend and indemnify The Missouri Bar, its agents, or employees from all claims arising from and related to the content of its advertisements, sponsorships, or exhibits, including without limitation claims of defamation, slander, or libel.
